Minister for Health Instructs POFMA Office to Issue Correction Direction and Targeted Correction Direction

Singapore - 18 April 2020: The Minister for Health has instructed POFMA Office to issue a Correction Direction¹ to the “Singapore States Times” Facebook page, and a Targeted Correction Direction² to Facebook.

4. Members of the public should rely on official channels such as the Ministry of Health’s official website (www.moh.gov.sg) and Gov.sg WhatsApp (http://go.gov.sg/whatsapp) to get accurate and up-to-date information on the COVID-19 situation in Singapore. Any suspected falsehoods can be reported to info@pofmaoffice.gov.sg.

¹ A Correction Direction is a Direction issued to a person who has communicated a falsehood (i.e. the recipient) that affects the public interest. It requires the recipient to publish a correction notice, providing access to the correct facts. The Direction does not require the recipient to take down their post or make edits to their content, and does not impose criminal sanctions.

² A Targeted Correction Direction is a Direction issued to an Internet Intermediary (“II”), whose service was used to communicate a falsehood that affects the public interest. The Direction requires the II to communicate a correction notice by means of its service to all users in Singapore who access the falsehood through its service. This is so that users who see the falsehood on a platform also see the correction notice on that platform.
